EVANGELIZATION

OUSTED

The dishonest steward in today's gospel (Luke 16:1-13) cleverly manipulated people to his own advantage. Knowing that he would soon be fired from his job, he found a way to win the favor of his master's debtors - so that he would be welcomed into their homes.

Very few jobs are permanent anymore. Job losses often contribute to home foreclosures. What God has prepared for His faithful stewards is better than everything we might hold in jeopardy now. "for we know that if our earthly dwelling dissolves, we have a building from God, a house not made with hands, eternal in the heavens." (2 Cor 5:1)
